

Biotech High School is proud to partner with Veritas Prep to provide access to high-quality SAT test preparation for its students. Veritas Prep has been in the test prep business for over 10 years and has helped over 50,000 students achieve their scoring goals.

Perfect SAT Preparation for High-Achieving Students

Veritas Prep SAT 2400 (www.veritasprep.com/sat) is the only global SAT prep course created by a perfect 2400 scorer. The course features the exact same strategies that were developed by systematically deconstructing the test and were used to score a perfect 2400. The strategies are effective, easy-to-use and have helped Veritas Prep SAT 2400 students boost their scores over 300 points. Strategies include:

- ✓ PIN™ - Get through the entire math section in half the time without having to do any difficult algebra at all!
- ✓ TAC™ - Learn to take advantage of the multiple-choice nature of the SAT and gain a huge edge.
- ✓ IPP™ - The one strategy that you MUST use on every Writing Multiple-Choice question.
- ✓ WYPAD™ - The strategy that makes Critical Reading a piece of cake.
- ✓ The 15 grammar rules that you must know for the SAT to get a perfect score.
- ✓ How to write your SAT essay before you've even seen the topic.

Endorsed by Parents to be the Best

Veritas Prep SAT 2400 has earned [The National Parenting Center's Seal of Approval](#). Every year, hundreds of educational products and services apply for this prestigious independent award, and only a handful make the grade. Veritas Prep SAT 2400 is the only SAT prep program to win the award for its entire line-up of SAT course offerings. The National Parenting Center says: *"All parents want to give their children that extra edge and Veritas Prep's SAT program does just that. Parents reported a marked rise in their children's confidence level with each practice test that they took. There are many classes and tutors available to help prepare for this very important test, but our testers felt that their children were in good hands with Veritas Prep."*
